

Harmonica Holder

IHH1020 / 12913

Features and Benefits

Perfect for hands-free playing. The IHH1020 fits comfortably around your neck and holds the instrument firmly while you play. It's perfect for jam sessions or performances where multiple instruments are being played. (Tip: Getting two of these holders can provide one for use on the road and one at home, or make it easy to have different harmonicas already mounted and ready to use hands-free.)

Specifications

Application: Holds 10 - 20 hole harmonicas

Construction: Metal

Color: Silver
