## Features & Benefits

Protect your gear and look good doing it. Designed to accommodate up to six full size tripod stands and booms, the MSB6000 Mic Stand Bag boasts the same rugged construction and ergonomic considerations found in all On-Stage gear bags. Durable, black nylon resists road wear and tear, while interior padding guards against dings and drops. And of course, these 39" x 9.5" x 5" bags include both handles and shoulder straps for easy transport, hand-offs and storage. Protect your gear and look good doing it with the On-Stage MSB6000 Mic Stand Bag.
