

# Carry Bag for Wireless Microphones

MB5002 / 14164

## Features & Benefits

Safely transport up to two wireless mic rigs with our Carry Bag for Wireless Microphones. This bag contains separate padded compartments that securely hold and protect two mics, two battery packs, and two wireless receivers while three interior straps keep everything firmly in place. A convenient velcro-secured opening allows antennae to be extended while the receiver is in the bag. Light-weight yet durable, this bag also features dual zippers for quick access, a shoulder strap for easy transportation, and a large exterior accessories pocket.
