SNK24450 / SNK244100

Stage Snake Box

FEATURES AND BENEFITS

This 24x4 Stage Box provides 24 channels (XLR) female with 4 (XLR) male returns and is available with 50' or 100' of cable. Includes locking connectors with quick disconnect buttons for a secure fit. Also, each XLR connector is hand-soldered and individually insulated to ensure that no electrical shorts will occur. Other features include well-protected and flexible cable bundling and a heavy-duty metal chassis box. Comes with a built-in easy carrying handle and a black nylon protector bag.
