Congratulations on your purchase of the GS7561 Foldable 5-Guitar Rack. Please read the following assembly instructions carefully. We hope you enjoy your new purchase!

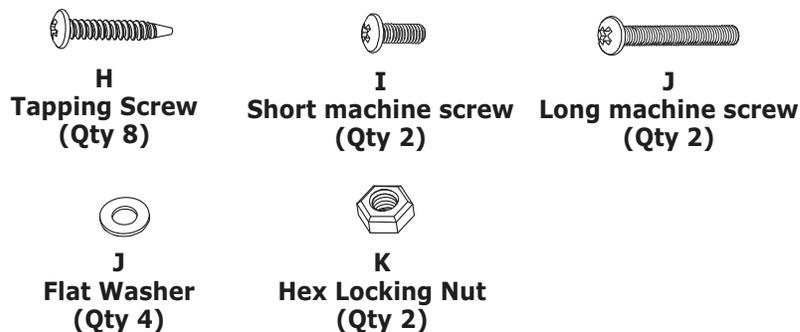

## Parts

Remove all parts from boxes and identify:

## Hardware

Remove all parts from hardware bag and identify:

### Additional Tools needed

Phillips-head  
screw driver

Adjustable Wrench

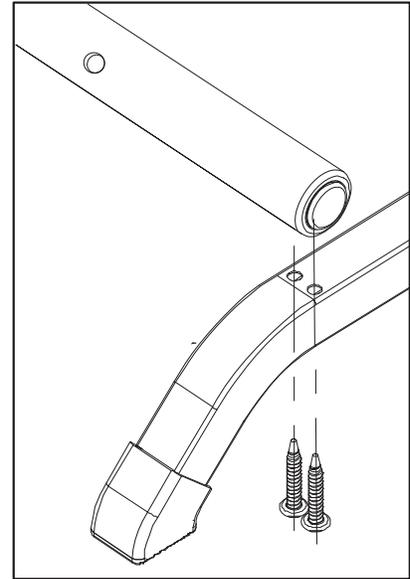

**On-Stage  
Stands®**

## Assemble the Bottom Braces

**1.** Attach Right Foot (A) to Front Support Bar (E) using two tapping Screws (H), as shown. Repeat for rear Support Bar (F). **DO NOT** fully tighten at this time.

*\*NOTE: Assemble Front and Rear Crossbars with divider holes facing towards the front of the stand.*

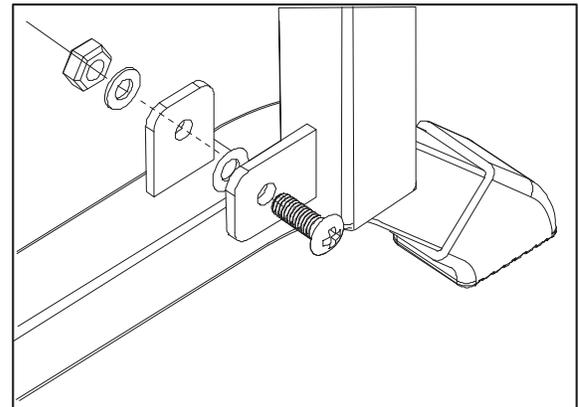

**2** Attach Left Foot (B) to the opposite side of the Front Crossbar (E) using two tapping Screws (H). Repeat for Rear Crossbar (F). **DO NOT** fully tighten at this time.

**3.** Level the bottom assembly on a flat surface.

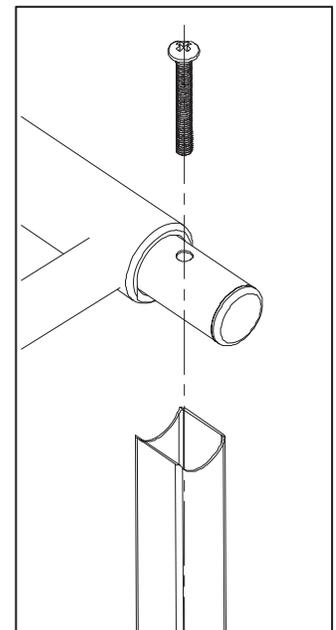

## Assemble the Vertical Supports

**4.** Attach the two Vertical Supports (G) to the top of the feet using one short machine screw (I), two flat washers (Part J), and one Hex Locking Nut (K) for each side, as shown. **DO NOT** fully tighten at this time.

## Assemble the Upper Yokes

**5.** Attach the two Vertical Supports to the Upper Yokes (C) using one long machine Screw (J) per side, as shown.

# WARRANTY/COMPANY INFORMATION

## LIMITED 3 YEAR WARRANTY

This stand comes with a Limited 3 Year Warranty to the original purchaser against defects in materials and workmanship. This Warranty excludes defects due to normal wear, abuse, shipping damage, failure to use the product in accordance with reasonable conduct, or failure to use the product in accordance with the appropriate application as described in the product description. Other restrictions or limitations, not expressly written, may exclude your product from warranty. On-Stage Stands will not be liable for damages based upon inconvenience, loss of use, loss of time, other commercial loss, or any other damages, whether incidental, consequential or otherwise.

## REGISTER ONLINE. HERE'S WHY:

**Lightning Fast Service** - Get the fastest turn-around in the unlikely event of a warranty claim.

**Product Notifications** - We can contact you directly with product notifications and safety information.

**Better Products** - Your registration helps us to improve our products and develop new ones.

## Final Leveling

6. With the entire guitar rack assembled, place it on a flat surface. Square all joints so the stand sits level and does not wobble. Tighten all screws to make a solid, rigid unit.

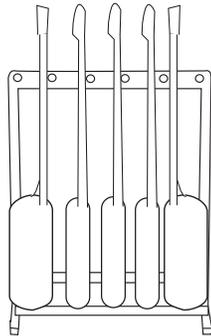

## Optional Steel Bar Dividers

7. Your new guitar rack offers four Divider Bars that you can place in any of the available holes on the Crosspieces. Configure your stand to hold acoustic and/or electric guitars as needed.

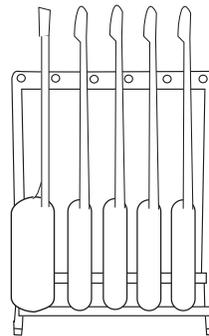

## MAX it out!

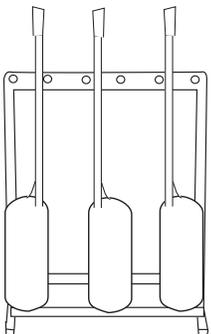

This stand was designed with 2 acoustic guitars and 3 electric guitars in mind. But there are a number of other combinations, including:

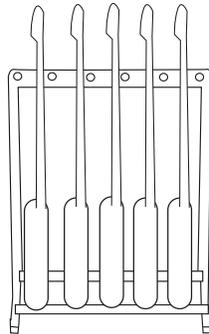

3 Electric/Bass  
2 Acoustic

4 Electric/Bass  
1 Acoustic

3 Acoustic

5 Electric/Bass
