

LED204

Clip-On Duo LED Light

BAND / ORCHESTRA STANDS & ACCESSORIES

FEATURES AND BENEFITS

Based on our popular LED202, the LED204 adds intensity adjustment. Each of the gooseneck-mounted lamp heads features a pair of high intensity white LEDs. A 3-way switch on each lamp head lets you choose 2 LEDs, 1 LED, or Off to suit your personal lighting needs while simultaneously controlling spill-over into the audience or other musicians. The strong padded clip-on design easily attaches to your music stand and the compact base can also sit flat on a desktop! Powered by (3) AAA batteries, the LED204 can illuminate for days without fading.

2 Bright White High Intensity LED Lights on each lamp head, with 3-way switch; options for 2 LEDs on, 1 LED on, off.

Flexible gooseneck arm allows for easy positioning at any angle.

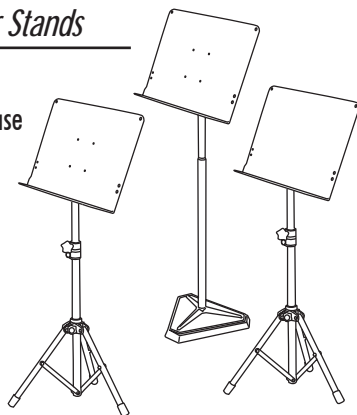

Padded spring-loaded clip stays secure when clipped in place and base also sits flat on a desktop surface.
