

Hardshell Jumbo Acoustic Guitar Case

GCA5600B / 10113

Features and Benefits

No other instrument sounds quite like a jumbo acoustic guitar. Protect your investment with our GCA5600B molded hardshell. The GCA5600B incorporates all the features of our best-selling hardshells, but is upsized to accommodate jumbos. Plush lined interior, cradling neck support, gold hardware, and a deep interior accessory compartment keep your guitar looking new gig after gig.
