

# Classic Guitar Stand

XCG-4 / 10586

**HOT SELLER**

## Features and Benefits

Keep your guitar at the ready yet safe and blemish-free with our best-selling Classic Guitar Stand. The stand's adjustable height and versatile stepped lower yoke accommodates any guitar including acoustics, electrics, and basses. Features include a security strap on the upper yoke to prevent falls, and EVA foam padding at the contact points to protect guitar finishes. The stable tripod base folds down and the lower yoke detaches, enabling compact storage and transportation.
