

Professional Single A-Frame Guitar Stand

GS7462B / 11239

Features and Benefits

Keep your guitar available yet safe and blemish-free with our strongest A-Frame stand. This Professional Single A-Frame Guitar Stand is designed to accommodate either an acoustic or electric guitar as well as desktop mixers and combo amps. The tilt-back design, splayed footprint, and rubber feet provide exceptional stability. EVA rubber padding on the contact points protects your gear from dings and scratches. There are no parts to lose due to its one-piece design, which is uniquely shaped to allow multiple stands to nest together for convenient storage and transportation.
