

U-Mount Desk Flange Mount

UM5006 / 12056

Features & Benefits

An ideal choice for churches, schools, offices, stores, workshops, charging stations, or anywhere a stationary mount is desired, this u-Mount® Desk Flange Mount establishes a secure base for any u-Mount® tablet case. Installing this mount in frequently-used locations enables repeated mounting of your On-Stage u-Mount® tablet holder. The UM5006 is directly compatible with all TCM-series u-Mount® tablet mounting kits, or add our UM99 adapter to accommodate standard mic accessories, including goosenecks and posi-loks. Includes four screws for mounting the unit to wood.
