

Wood Locking Guitar Hanger

NEW PRODUCT

Features and Benefits

Keep your instruments ready for action so you can perform the very moment inspiration strikes. Our GS8730 is a wall-mounted hanger for your guitar and bass collection that provides instant, safe access to your instruments in a space-saving design.

It's available in five attractive finishes, while the EVA-padded yolk automatically locks when you hang your instrument by its headstock—providing an additional layer of security to even the most delicate fretted instruments.
