

# Z KEYBOARD STAND WITH SECOND TIER

KS1365 / 14950

## FEATURES AND BENEFITS

The KS1365 Z Keyboard Stand with Second Tier offers a robust yet portable solution for dual-keyboard setups. Stack two keyboards vertically to optimize accessibility without taking up extra floor space. The strong steel frame supports 400 pounds, including the second tier. Width adjusts to match your keyboards, maximizing efficiency. The adjustable height and tilt of both tiers cater to your comfort and preferences, with secure settings via tightening knobs. Nonslip padding on the first tier and rubber bumpers on the second enhance stability and prevent scratches, adjustable for key clearance. A built-in headphone hanger adds convenience. The sleek black finish complements any setup, staying pristine against wear. Assembly is tool-free, and the detachable second tier simplifies transport.
