

GUITAR UTILITY VEHICLE

On-Stage®

GUV8000

NEW PRODUCT

FEATURES

Carries your complete amplified-guitar rig and doubles as a tilt-back amp stand

Enables you to ergonomically control the amp-tilt function with your foot

Provides a secure place to hang up your guitar

Keeps your small accessories and drinks within reach

Allows you to roll your gear over uneven ground while steering with ease

Prevents movement when parked to keep your setup firmly in place

Tires never go flat for performance you can rely on

Protects your amp and guitar from slips, falls, and scratches

Folds down to make it easy for you to store and transport
