**Product Notifications -** We can contact you directly with product notifications and safety information.

Better Products - Your registration helps us to improve our products and develop new ones.
Assembly Instructions

BEFORE YOU BEGIN: Remove all contents from the box and identify parts using diagrams.
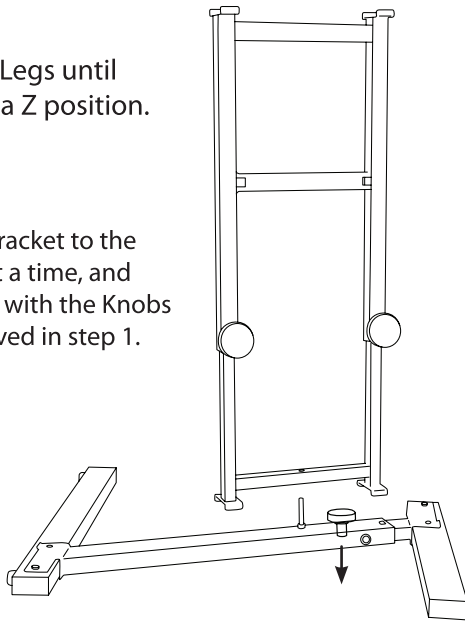

**1.** Remove the female Knobs from the Bracket & Leg Assembly.

2. Lift the Bracket off the Legs to detach.

3. Unfold the Legs until they click into a Z position.

4. Attach the Bracket to the Legs, one Leg at a time, and tighten in place with the Knobs that were removed in step 1.

5. Once you have attached the Bracket and Legs, position the stand so it is standing up.

6. Insert the M10 x 20 Knobs into the welded Nuts on the Brackets. Use these Knobs to adjust the height of the stand to your liking.
