

RECHARGEABLE XLR WIRELESS SYSTEM

RXLRWS1

On-Stage®

FEATURES

Connects your mic to a mixer, interface, soundboard, PA system, or DSLR camera without using a cable

Also works with your digital and analog music players or any similar device with an XLR output

Ensures your vocals and other high-quality audio sources remain crystal clear

Provides you with unlimited freedom of motion on stage or in the studio

Enables you to switch channels in order to pair the same transmitter to a different receiver

Maximizes your mic's signal integrity even in busy environments

Makes it easy for you to charge both batteries at once
