Shock-Mount Mic Clips

NEW & Improved Design
Patent-Pending

MICROPHONE STANDS & ACCESSORIES

FEATURES AND BENEFITS

When you're on stage, the last thing that you want to shake, rattle and roll is your mic. Our newly redesigned MY300-Series Shock-Mount Mic Clips are designed to reduce the effects of low-end rumble and floor vibrations that interfere with your performance. All three models feature a 5/8"-27 female threaded brass insert in a heavy-duty plastic base. These mic clips grip your mic with ample pressure and have a Lifetime Warranty!

MY-320
20mm fits Condenser Mic

MY-325
25mm fits Dynamic Mic

MY-330
30mm fits Wireless Mic

Extra-durable rubber on all models acts as a shock absorber, which reduces the effect of low-end rumble and floor vibrations

All models feature a standard 5/8"-27 threaded brass insert in a plastic base.

Our award-winning packaging is eye-catching and describes all of the product features!
