

Mandolin Bag

GBM4770B / 14716

Features and Benefits

The GBM4770 Mandolin Bag delivers reliable mandolin protection for safe storage and transportation. Along with a weather-resistant exterior that defends against moisture, the case features padding that prevents impact damage and a smooth lining that safeguards the instrument finish. Two accessory compartments provide convenient access to supplies and tools. Backpack-style straps enable hands-free transportation and a cushioned top handle makes for balanced, comfortable carrying. For ease of loading and unloading, a two-pull zipper fully opens and closes at either end or any point between.
