

CABLE MANAGEMENT SYSTEM

CM200 | 13410

4 Freely sliding hooks - spacing between hooks is fully adjustable.

Slotted extrusion allows for freely sliding width adjustment.

FEATURES AND BENEFITS

Someday your whole world will be wireless, free from gig bags and road cases full of tangled, buried, decidedly noninterchangeable cables and connectors. Until then there's the On-Stage CM200 cable management system. Also perfect for headphones and guitar straps, the CM200 features four free-sliding, independently space-adjustable 4" hooks and mounts quickly and securely to virtually any surface. All aluminum and black powder coat-finished, the On-Stage CM200 makes a durable, attractive, highly functional addition to any performance space, be it in the studio, at home or on the road.

Conquer cable confusion with the On-Stage CM200. Four freely sliding hooks to store cables, headphones, guitar straps, etc.
