

FPS6000

Flat Panel TV Mounting System

SPEAKER STANDS & ACCESSORIES

FEATURES AND BENEFITS

A portable, lightweight, freestanding flat screen monitor mount. This VESA compatible mount is coupled with our proven folding tripod design, making it ideal for adding televisions or monitors to any kind of venue or event, including concerts, weddings, conferences, over-flow rooms, marketplaces, and more. Thanks to an integrated air-lift center piston, the self-rising center tube assists lifting/lowering a properly mounted screen. It can be easily managed by one person! Mount height is adjustable from 47" to 74", and tilt is adjustable ± 15 degrees, so viewing angle can be tailored to any space. The FPS6000 is the industry's best combination of portability, adjustability, and price for a freestanding television mount.

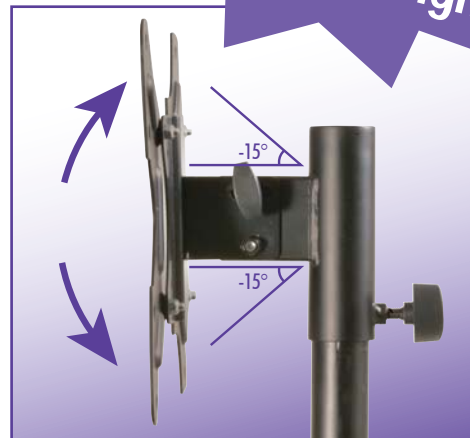

VESA Universal Mount.
Angle adjusts 15° +/-

Self rising center tube helps
do the lifting and lowering;
easy one person operation.

Tripod base design with
added leg braces provides
a stable foundation.

SLEEK and
STURDY Design

The FPS6000 provides a unique combination of simplicity, security and customizable viewing options. The Universal VESA Mount angle adjusts up or down 15+/- degrees.
