GCLP7000 / 11089

## Pricing

**Model #:** GCLP7000

**Item #:** 11089

**List:** 195.99

**Map:** 109.95

## Features & Benefits

Our Hardshell Single Cutaway Electric Guitar Case is sized to fit a single-cutaway solid-body electric guitar. Constructed from quality materials, the rigid molded archtop shape keeps the body secure and provides stable neck support, while the weather-resistant exterior defends against the elements. The interior features a plush lining to safeguard the guitar's finish, and an accessories compartment.
