

# Keyboard Stand and Bench Pack

KPK6500 / 11659

## Features and Benefits

The KPK6500 includes two of our most popular keyboard accessories. The KS7190 is a Single-X stand with a classic bullet-nose pull knob and strong 1" square tubing. The KT7800 is a three-position X-Style bench perfect for fold-and-go use. Together in this pack they are the best value on the market. There's no better deal for students or working pros.
