## FEATURES AND BENEFITS

Experience the functionality and protection of u-mount for all of your handheld electronic devices. The TCM1900 Universal Mount includes four adjustable Grip-On mounts to fit popular tablets and cell phones sized from 2.5" to 9" wide. Constructed from a rugged plastic, each mount utilizes a spring-loaded clamp with rubber grips to secure your device. A 360° Ball Joint provides rotation and tilt adjustment, while the Pull Back Release Sleeve makes removing the holder from the Mounting Bar a breeze. The Mounting Post can be removed from the Mounting Bar for use as a comfortable handle during presentations, soundchecks, video chats and more. Mounting Bar handles round tubing 11- 19mm in diameter.

Our award-winning packaging is eye-catching and describes all of the product features.
