**WS7500B / WSC7500B / WSR7500B**

**Wood Workstation & Accessory Parts**

**FEATURES AND BENEFITS**

The WS7500B is a compact and attractive Workstation perfect for the home studio! The rectangular steel tube frame is sturdy enough to support all of your computer/keyboard gear, while the compact Z-frame and slide-out keyboard tray keeps your set-up clean and organized.

The WSC7500B Workstation Corner Accessory is a 45° surface that can be attached to the WS7500B for added tabletop workspace. It can be attached to the left or right side, creating an efficient, wrap-around workstation. The WSR7500R Rack Cabinet is a 12 single space rack stand that provides easy access to all of your rack equipment. It can stand alone and be used with or without the included casters, or be paired with the WS7500B or WSC7500B for additional tabletop workspace.
